

BW43001 - Tyre Barriers (x2)

Two tyre barriers (one 4x tyres high, one 5x tyres high). Also included are 2x lengths of "heat-shrink", to replicate the wrapped tyre barriers seen at race tracks around the world during the 1990's & 2000's.

Price: £3.00

BW43007 - Podium Jump

A modern driver wearing a cap, jumping for joy at the top of the podium (modelled on Michael Schumacher's famous pose). It is suggested that this figure is mounted from the back to give the impression of the figure being in mid-air. Also includes a champagne bottle in transparent green resin.

Price: £3.00

BW43002 - HANS (x5)

5x HANS Devices, commonplace in top level motorsport since 2003. These are designed to work with figures in the Bad Wolf Miniatures range, but (subject to pose), will work with other 1/43 figures.

Price: £3.00

BW43008 - Podium Thumbs Up

A modern driver standing on the podium, looking down at his team, giving a thumbs-up. He is holding his cap behind his back. Ideal for a podium diorama, partnered with BW43007. Also includes a champagne bottle in transparent green resin.

Price: £3.00

BW43003 - Driver Celebrating 1

A modern racing driver, wearing a HANS device, celebrating victory with an elaborate pose (this figure is based upon Fernando Alonso's pose, having won the Japanese Grand Prix in 2006).

Price £3.00

BW43009 - Taxi Ride 1

A mid-90's F1 driver, riding back to the pits on a rival's car, celebrating victory (this figure is based upon Jean Alesi's pose, winning the Canadian Grand Prix in 1995). This figure has been designed to fit the Benetton Renault B195 kit by Tameo Kits (TMK200)

Price: £3.00

BW43004 - Driver Celebrating 2

A modern driver, wearing a HANS device, pointing to the sky in celebration or commemoration (this figure is based upon Charles Leclerc's pose, having won the Belgian Grand Prix in 2019).

Price £3.00

BW43010 - Helmets (No Visor, x5)

The helmets are intended as an accessory for those wishing to add more detail to their models. Included is a template to cut visors from clear plastic (it is recommended that the visors are attached to the helmets using Tameo rivets, part no: PG 22)

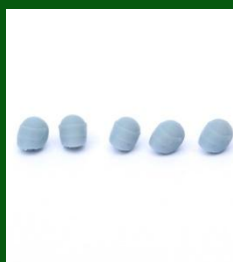

Price: £3.00

BW43005 - Driver Celebrating 3

A modern driver, wearing a HANS device, celebrating a win or a pole and giving the distinctive "PI" gesture with his right hand.

Price £3.00

BW43011 - Helmets (Closed Visor, x5)

Five helmets with closed visors, which can be used with any of the helmeted figures in the Bad Wolf Miniatures range. Ideal as replacements for lost helmets, or for use in a diorama.

Price £3.00

BW43006 - Driver Celebrating 4

A modern driver, wearing a HANS device, crouched down celebrating a win (this figure is based upon Lewis Hamilton's pose after winning the Monaco Grand Prix in 2016)

Price £3.00

BW43012 - Champagne Bottles (x10)

10x champagne bottles in transparent green resin. Perfect for a replacement if the original gets lost, but also perfect for podium or motor-home dioramas.

Price £3.00

BW4013 - Taxi-Ride 2

Two early-90's F1 drivers, one giving the other a ride back to the pits (based upon Nigel Mansell & Ayrton Senna's iconic pose, at the 1991 British Grand Prix). Designed to fit the Williams Renault FW14 kits by Tameo Kits (TMK138 & TMK148)

PRICE: £6.00

BW4017 - Driver Sitting

A modern F1 driver sitting on the grid before a race, or at the side of the track after a disappointment (figure is based upon George Russell's pose at the 2021 Emilia Romagna Grand Prix).

PRICE: £3.00 per unit

BW43014 - Podium Shoey

A modern F1 driver celebrating on the podium by drinking some champagne from his right boot (this figure is based on Daniel Ricciardo's iconic podium celebration). Also includes a champagne bottle in green resin.

PRICE: £3.00

BW43018 - Driver Resting

A modern F1 driver taking some sunshine after an unexpected (or perhaps expected) retirement (based on Fernando Alonso's pose at the 2015 Brazilian Grand Prix). Includes a chair, 2x HANS and an empty helmet (with visor down).

PRICE: £4.50

BW4015 - Drivers Arguing

Two early-90's F1 drivers having a polite "discussion", following an incident or coming-together. These figures are based on the pose of Jean Alesi & Pier-Luigi Martini at the 1990 Hungarian Grand Prix.

PRICE: £6.00

BW43019 - Empty Helmets (Closed Visor, x5)

Five empty helmets with closed visors (as provided with BW43016 & BW43018). Ideal as replacements for lost helmets, or for use in a diorama.

PRICE: £3.00

BW43016 - Driver Despairing

A modern F1 driver laying on the floor with his hands to his face, ruing a lost opportunity or mistake (this figure is based on George Russell's pose at the 2020 Sakhir Grand Prix). Also includes an empty helmet with visor down and 2x HANS devices

PRICE: £3.00
